

# ST JOHN'S CHURCH RESOURCES

## Simple Hospitality - so you can show love

- Set up a meal train account at <https://www.mealtrain.com/>
- Use foil dishes from the pantry (on the left in the kitchen) to make simple meals to deliver.
- Take a frozen meal from the freezer in the pantry, including rice if it's helpful, to deliver.

## Getting up to speed with the church website, apps & GDPR - so you can connect

- Register & log in to the church website
- Download the Churchbuilder app
- Set your privacy settings
- Leaders: send group emails See the related documents on following pages.

## Praying for people - so you can promise to support & be confident what to pray

- Use the NT prayers on your bookmark
- Use the same prayer for as many people as you like.
- Tell people what you are praying for them/ask people to pray that for you.
- Do it again!

Nancy Guthrie: "I'm Praying for You" = 40 things to pray for any believer straight from a Bible verse. It shows you the verse and why it's useful to pray for someone. You pray it. Then you scan the QR code and send the verse and what you prayed to the person you prayed it for.

## Kitchen hygiene - so you can use the church centre facilities safely

- Use the keys in the pantry to store coats & bags in corridor cupboard C1-52
- Wash your hands at the handwashing sink
- Put on an apron to protect food & surfaces (and remove it whenever you leave the room).
- Try to use the dishwasher as much as possible and tea towels as little as possible.
- Put used aprons and tea towels in the 'used tea towel' bucket for washing.
- Complete paperwork.
- (Don't wear open-toed shoes)
