

Matthew 6:19-24
'Living for God's Kingdom'

Treasure in heaven or treasure in earth?

Our eyes – is light or darkness entering us?

Questions to make us think...

What is “my treasure” that could or is standing between me and God?

What do you spend your time day-dreaming about? How might this help us identify where our heart really is?

What is entering our eyes/lives and is it for the glory of God's Kingdom?

Why and how are we to be like the moon?

Is the moon in your life crescent, quarter, half, three quarters or full?

If you're not shining Jesus to the world around you, what are the implications?
